

Overall metastasis: overall distribution

Diameter rounded to nearest 0.5 cm

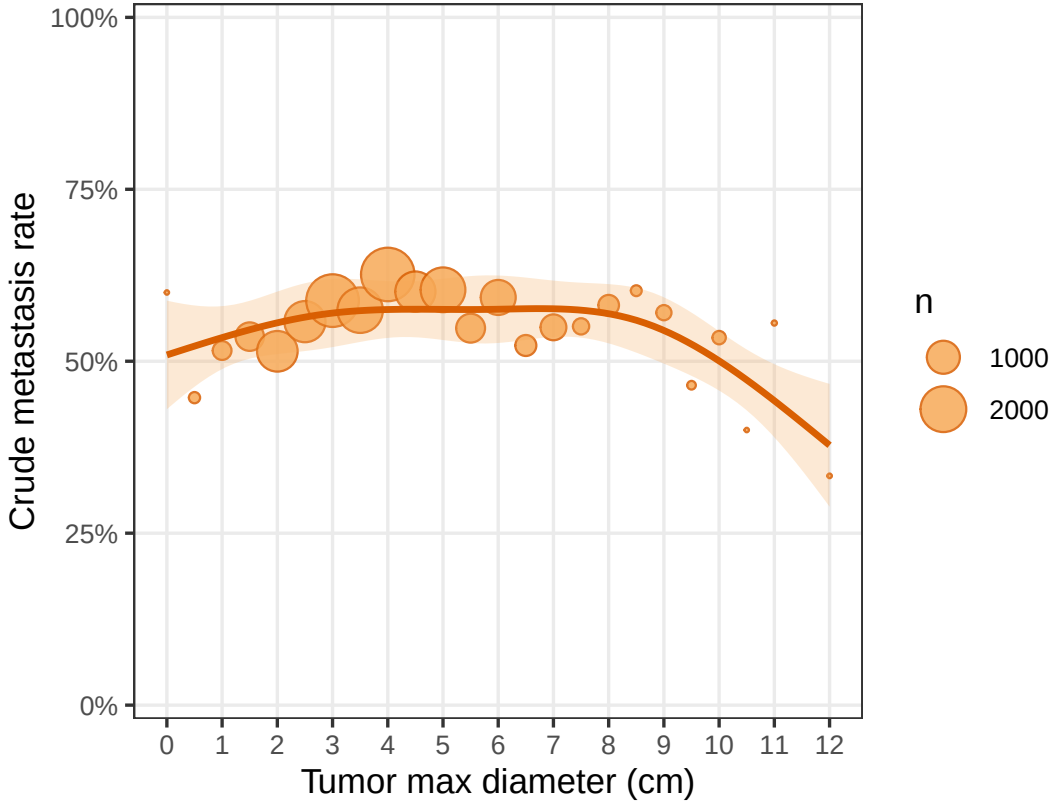

Overall metastasis: distribution by status

Diameter rounded to nearest 0.5 cm

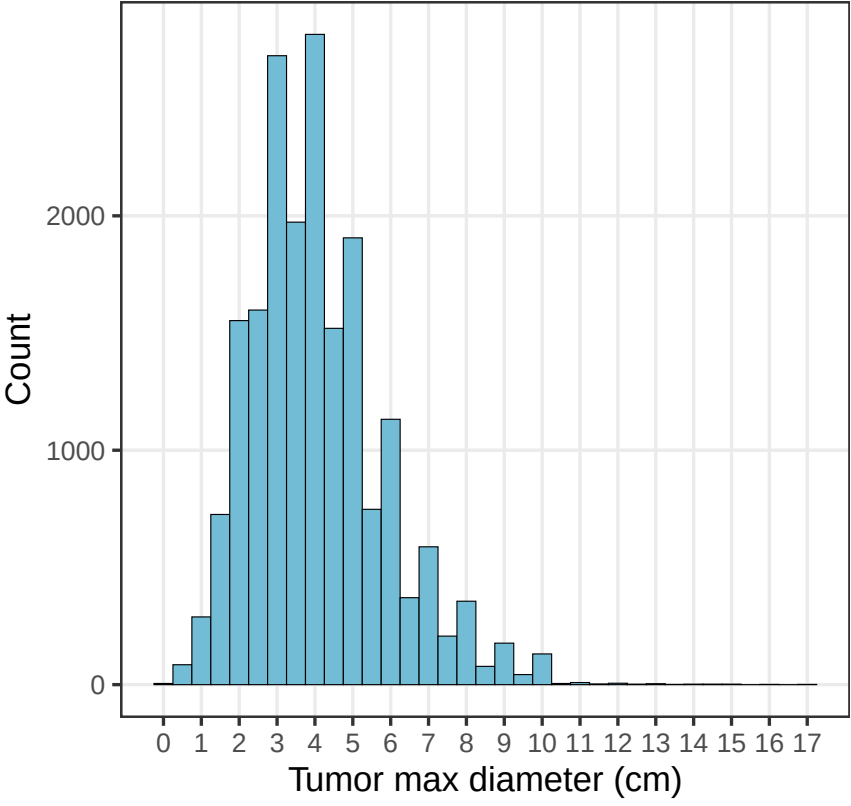

Overall metastasis: crude rate by diameter

Bubble size reflects sample size at each 0.5-cm diameter; cubic spline fit

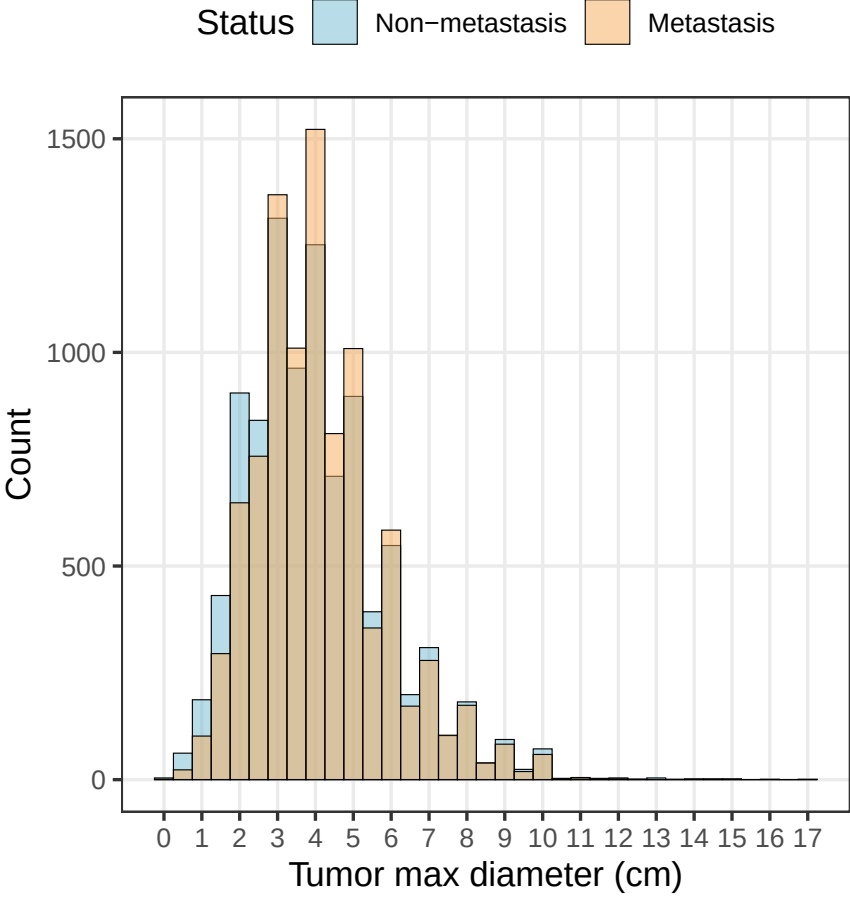

Lymph node metastasis: overall distribution

Diameter rounded to nearest 0.5 cm

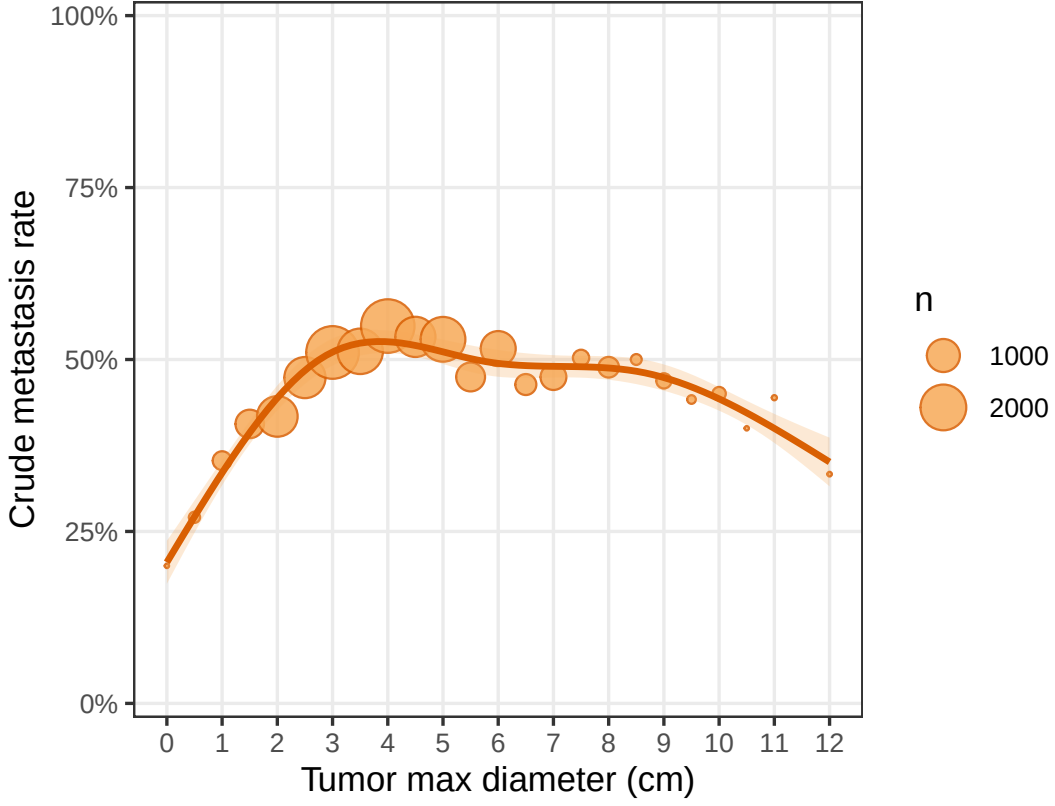

Lymph node metastasis: distribution by status

Diameter rounded to nearest 0.5 cm

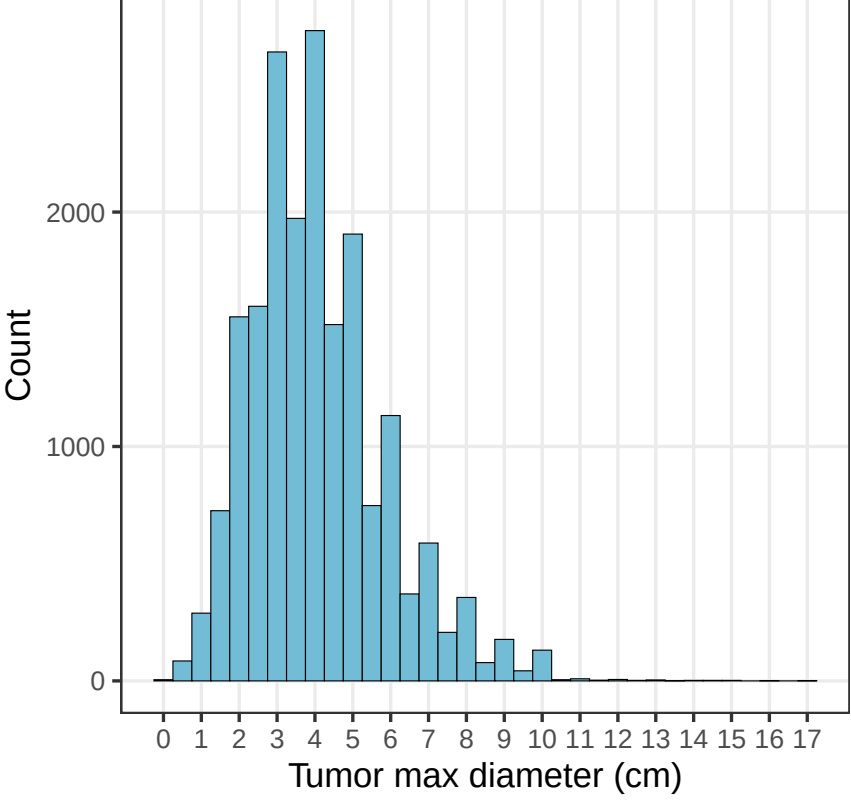

Lymph node metastasis: crude rate by diameter

Bubble size reflects sample size at each 0.5-cm diameter; cubic spline fit

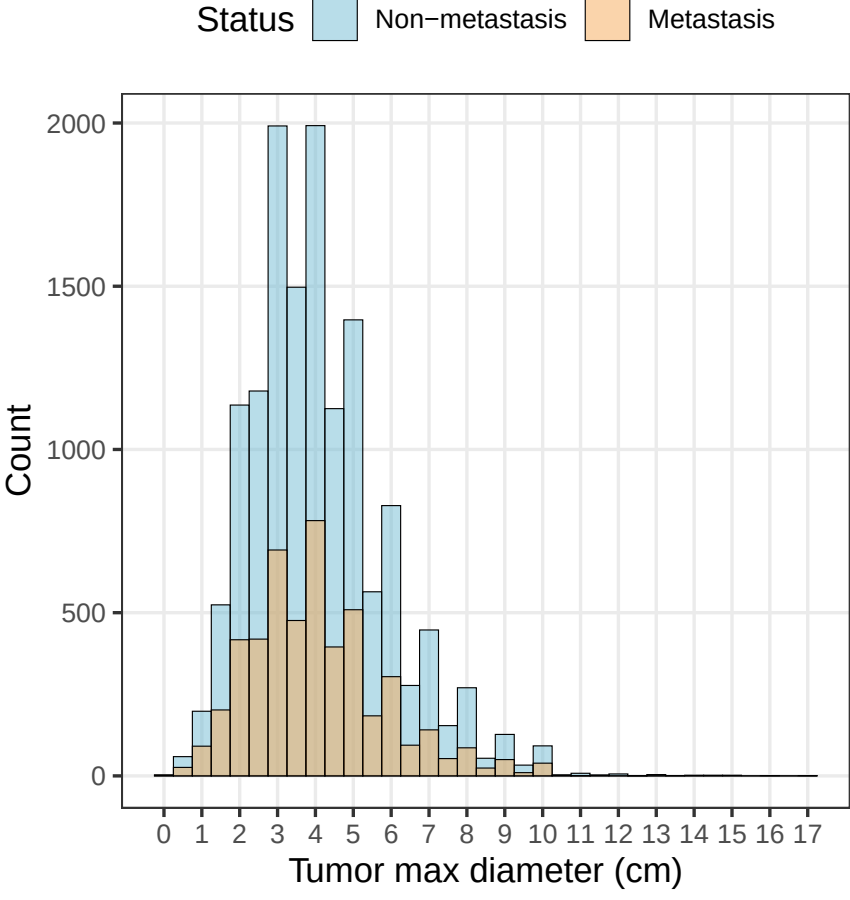

Distant metastasis: overall distribution

Diameter rounded to nearest 0.5 cm

Distant metastasis: distribution by status

Diameter rounded to nearest 0.5 cm

Distant metastasis: crude rate by diameter

Bubble size reflects sample size at each 0.5-cm diameter; cubic spline fit
